

Assisted Living License Resource Manual

POLICY AREA	Dementia License Policies
TITLE OF POLICY	3.02 ALDC Behavioral Symptoms, Interventions & Nonpharmacological Approaches
STATUE/RULE REFERENCE (if any)	144G.82 Subd. 3 (2), 144G.84 (e)
EFFECTIVE/REVISED DATE	8/2021

POLICY: As an Assisted Living with Dementia Care licensed facility, Vista Prairie Management, LLC. supports person-centered and evidence-based evaluation of behavioral symptoms and design of supports for intervention plans; including nonpharmacological interventions or practices in the following ways:

The RN completes a behavioral assessment in Eldermark, which includes all interventions.

PROCEDURE:

Vista Prairie Management, LLC. will identify behavioral symptoms that negatively impact other residents and others in the assisted living facility and evaluate to determine potential interventions to minimize such behaviors. Interventions will be identified on the care plan or service plan. Behavioral symptoms that require outside consultation or acute care placement will be identified and acted upon.
