

Housing for older adults

If you want to make a change to where or how you live, the Senior LinkAge Line can help you understand your choices.

SENIOR LINKAGE LINE

Understand housing types

Many people feel strongly about staying in their home as they get older. But for others, a move to a place that can provide extra help is the answer.

The Senior LinkAge Line can help you understand the different types of housing, services available and how you can pay for them.

- Subsidized or affordable housing
- Bringing services into your home
- Caregiver support and respite services
- Accessible housing
- Assisted living
- Adult foster care and group homes
- Nursing homes
- Memory care
